#### **15. Clerk's Report:**

- a) A representative from Time Assured rang and informed the Council that the church clock has stopped again. He said he had spoken to one of our parishioners involved with the Church and has arranged to speak to the bellringers to see if they can figure out why this has happened. Awaiting an update from him regarding moving forward.
- b) Overgrown tree on London Lane – the Clerk spoke to the Highways Inspector who covers the Wymeswold area. She said she'd been to check the problem and reiterated that it was not causing a problem with the highway and was also not on their land. She advised the Council to contact Openreach as the tree is in front of their property. The Clerk organised an Openreach engineer to attend and he said it would be too expensive to organise a tree surgeon to trim the tree branches, and it would be cheaper to fix the broken line when that occurred. He also reported that the tree was not on their land as the tree is in front of the fence to their property. I reported this back to the Highways Inspector. Based on the advice from the Inspector that the tree is not causing a problem, the Council resolved to not take this matter forward.
- c) Invoices have been raised for the LCC reimbursement for mowing for 2021 and 2022.
- d) There is a broken street light on Rempstone Road – the Clerk raised a ticket with LCC on 27/06/2022 for this to be repaired.
- e) ROSPA Playsafety Inspection Report to be sent to all Cllrs to review what needs to be actioned going forward.
- f) The Council have been contacted by a Rempstone parishioner regarding the A6006 and traffic issues along the road. It was resolved to ask one of our parishioners to take this forward for the Parish Council.

**16. Church Wall and Clock:** Cllr Sayce will contact the contractor with regard to starting the process for the Specification for Works Report on the Church Wall.

**17. Highways and Community Speedwatch:** No update from County Cllr Shepherd. The Council resolved to request a new SID from the Member's Highway Fund to replace the existing one sited on East Road in Wymeswold.

**18. Members Points of Information:** Cllr Sayce reported parishioner enquiries regarding weed growth on the pavements in the village. This is LCC responsibility and he agreed to report that back to the parishioners.
